The Father of SL Is Gone . . .

"Life is like an onion; you peel it a layer at a time--and sometimes you cry!"

The Spectre Staff has tried to capture the "layer" of St. Louis 1973-1974 life. For some, a reading means tears immediately, even though the memories are fresh; for others, it means tears at a later reading, even years later, when the pages, like memories, are old and musty.

For me, this year has indeed been the end of an era, the "peeling of a layer" of my life. Having been a part of this institution for almost 11 years; having been at least a mid-husband if not father to the borning St. Louis; having seen this new creation take shape and become the "child of my dreams" . . . to face disassociation is indeed a "time to cry!"

God Bless you, St. Louis. May all of you Saints who pass through these portals learn to cherish your memories of your alma mater as I have mine, Landry High School. Remember, too, its main purpose: to convince you, in the words of St. Paul, ". . . that nothing can ever separate *us--from God, or each other. Death can't, and life* can't . . . our fears for today, or worries about tomorrow, or where we are: high above the sky, or in the deepest ocean, nothing will ever be able to separate us from the love of God."

Walk into eternity believing that!

SL Enjoyed the New Leadership of Mr. Keating

Mr. Vernon Keating, Principal

The purpose of a yearbook is to record pictorially the important events that occur during the school year. The yearbook staff of SPECTRE '74 excellently accomplished this purpose and is to be congratulated. In thumbing through the pages it soon becomes obvious that the staff accomplished more than just recording; they were able to catch and to depict the St. Louis spirit that highlighted the 1973-74 school year, a spirit that will long be remembered by faculty and student as well. For accomplishing this the staff is again to be commended. It is my hope that the dreams and aspirations of the students pictured from cover to cover will in the future be fulfilled.

Student Council Helped Us to Grow

During the past year the student council worked harder than ever to unify and coordinate the student body. They tried to take an active part in the activities of the school, and to serve as a spokesman for student opinions.

Among their activities of the year were several dances, Christmas baskets, Homecoming, Tacky Day, Talent Show, which proved to be a very successful first, and Mission money.

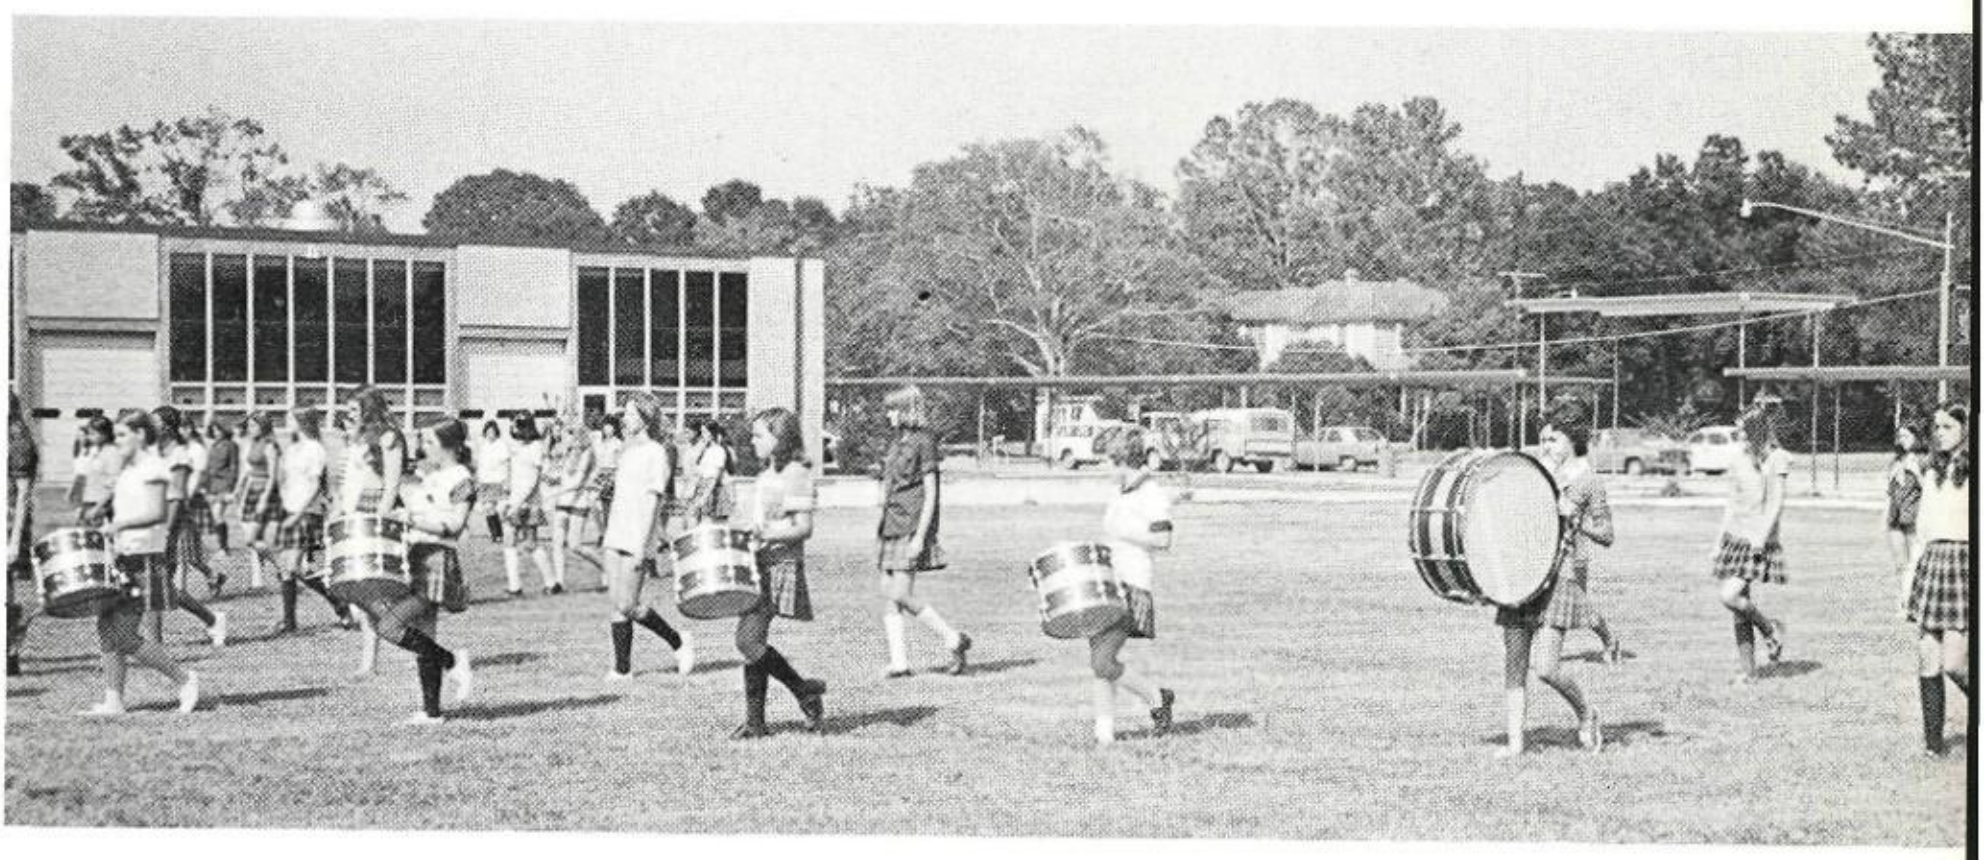
Another Year Bolstering Spirit



Provided School With Banners

To keep us all aware that St. Louis is a religously oriented community is not an easy task, but the Christian Life Community met this challenge with very good results.

Being kept busy with the preparation of banners and liturgies for Masses, the Christian Life Community was a symbol of the close religous community that made St. Louis High School.

Landry Memorial Library Club

The Library Club grew considerably during the past year; they also accepted more responsibility. Activities in which they participated the past year: a book booth at the Harvest Festival, which was very successful, and they sent books to Boys' Village. They helped brighten the school by keeping bulletin boards with changing displays and the teachers also got a hand with the A.V. equipment.

Drama Club Maintained Couth

The Drama Club tried to promote interest in the performing arts by attending and performing dramatic activities in the school and community. Many members performed in plays and in other arts in Lake Charles.

The Drama Club attended many plays and they gained much backstage experience. They presented a one-act play at our Christmas program and invited guests to many of its meetings.

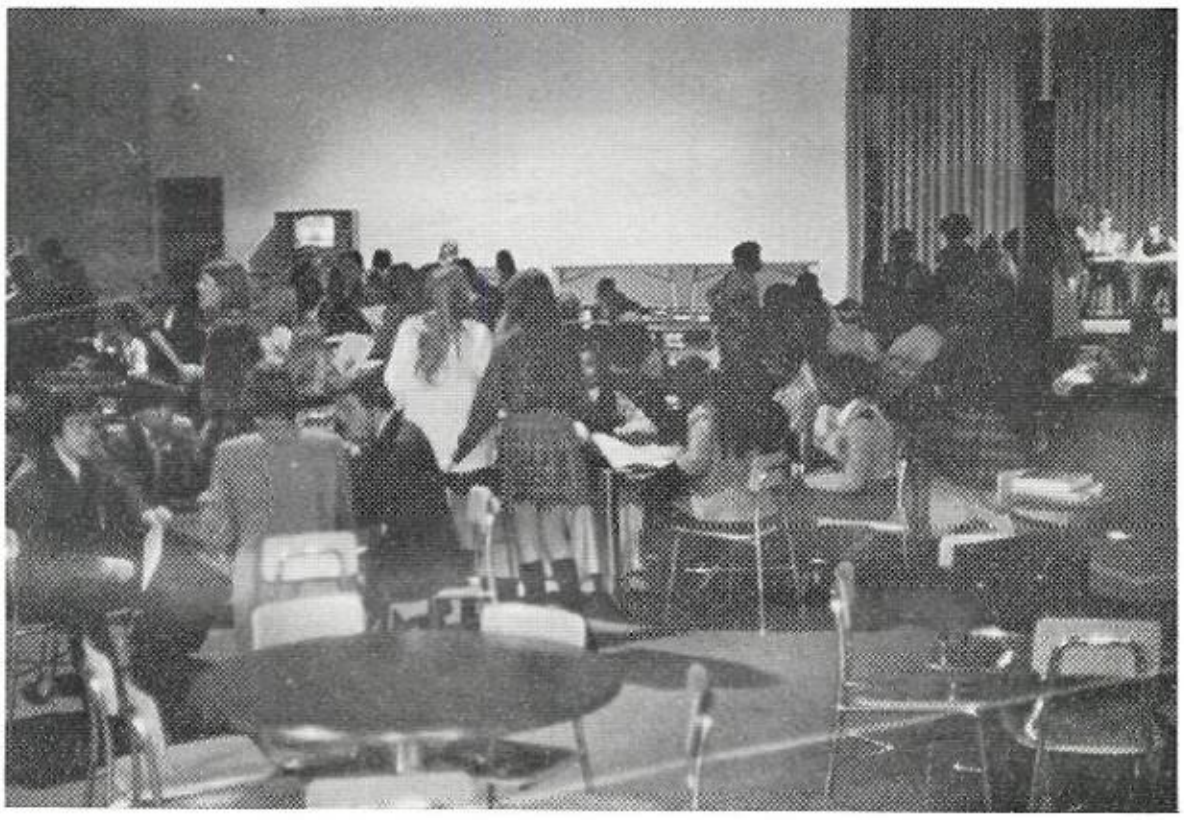
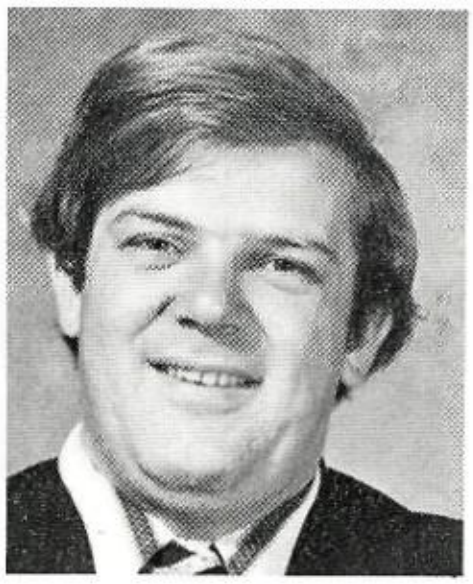
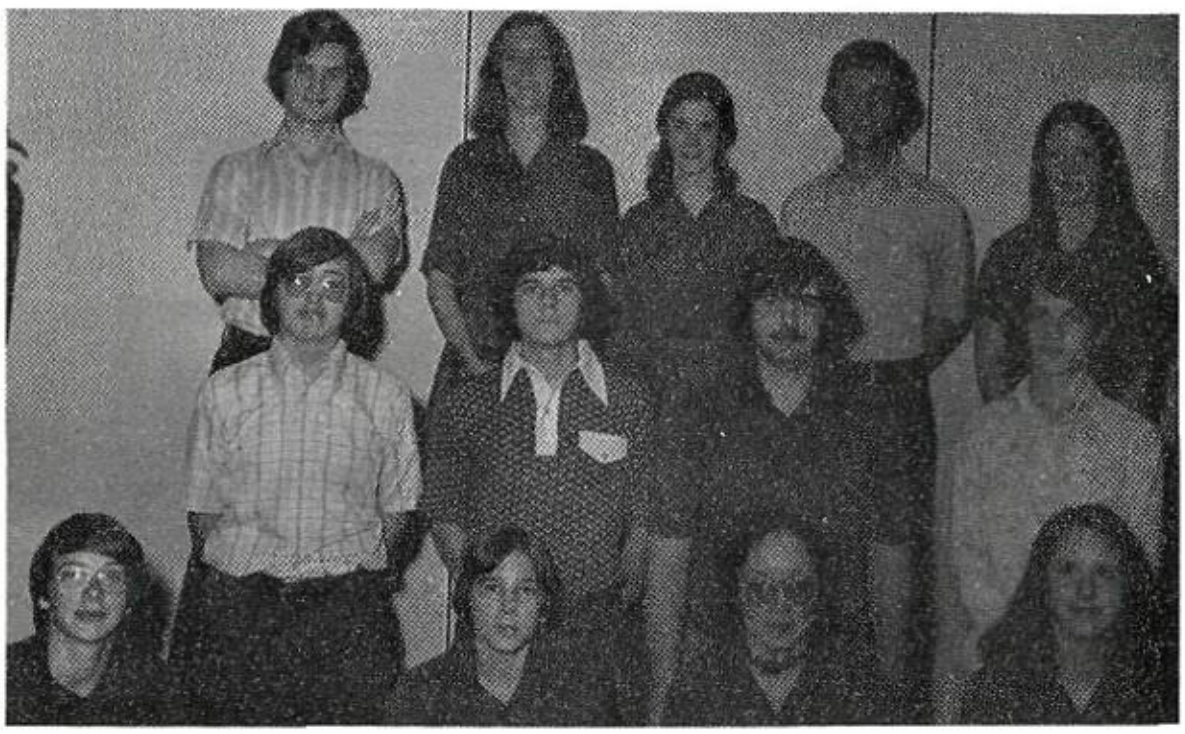
Debate's Cup Runneth Over

NFL

The NFL helped to promote speech on a national level through all of its members, this past year. At the annual tournament in Houston, Thomas Hunter placed first in boys extemporaneous speaking. Pat Yoder placed fifth out of twenty-eight in Student Congress, and Nanette Noland placed in six out of seven rounds in oratory semi-finals. Also, Angie Sigur and Tom Hunter placed 1st in Senior Debate, out of 45 schools in the state.

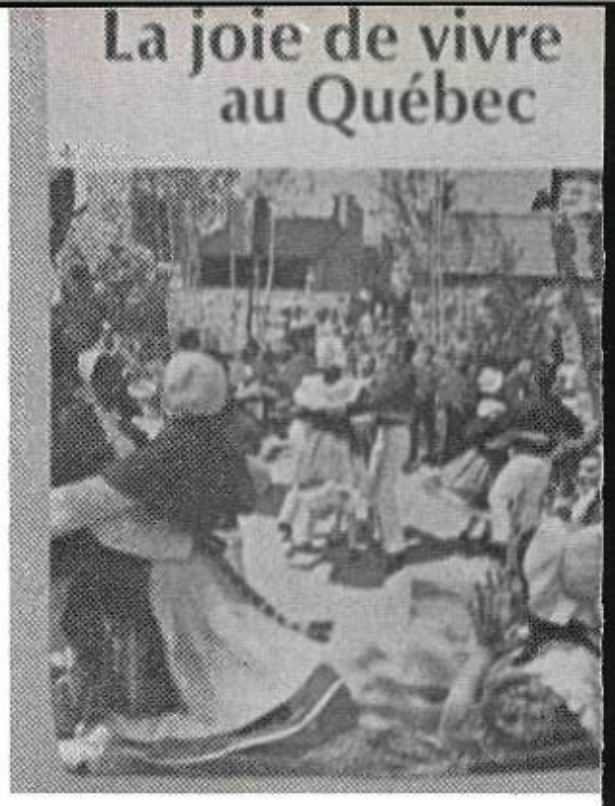


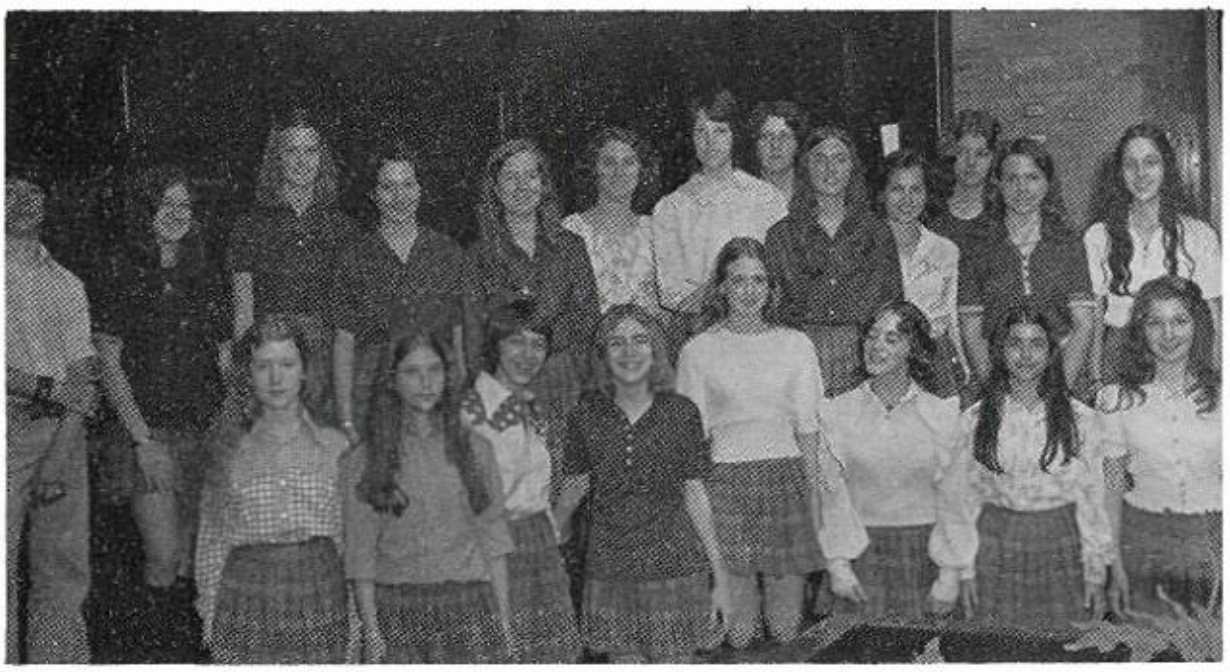


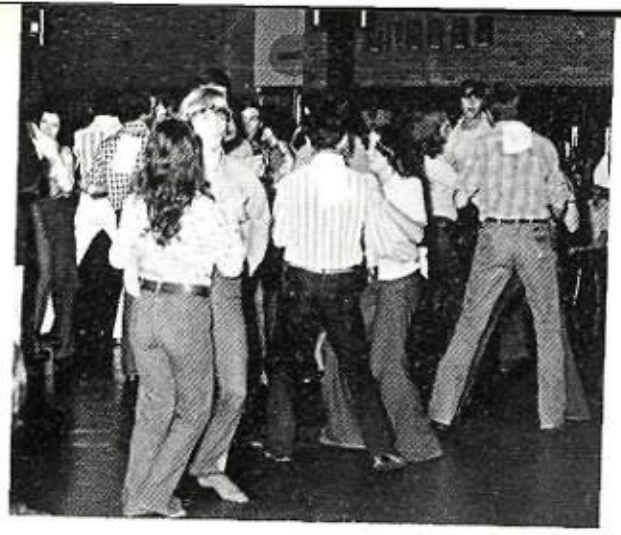


The French Club created and promoted interest in the French language and furthered knowledge of French civilizations. The club urged its members to realize cultural values of French speaking nations.

The French Club held many activities this year some of which were French masses and a French dance, an out-of-town excursion, a banquet, and entertained at the nursing home for Christmas. SL also had its first French Day this year.

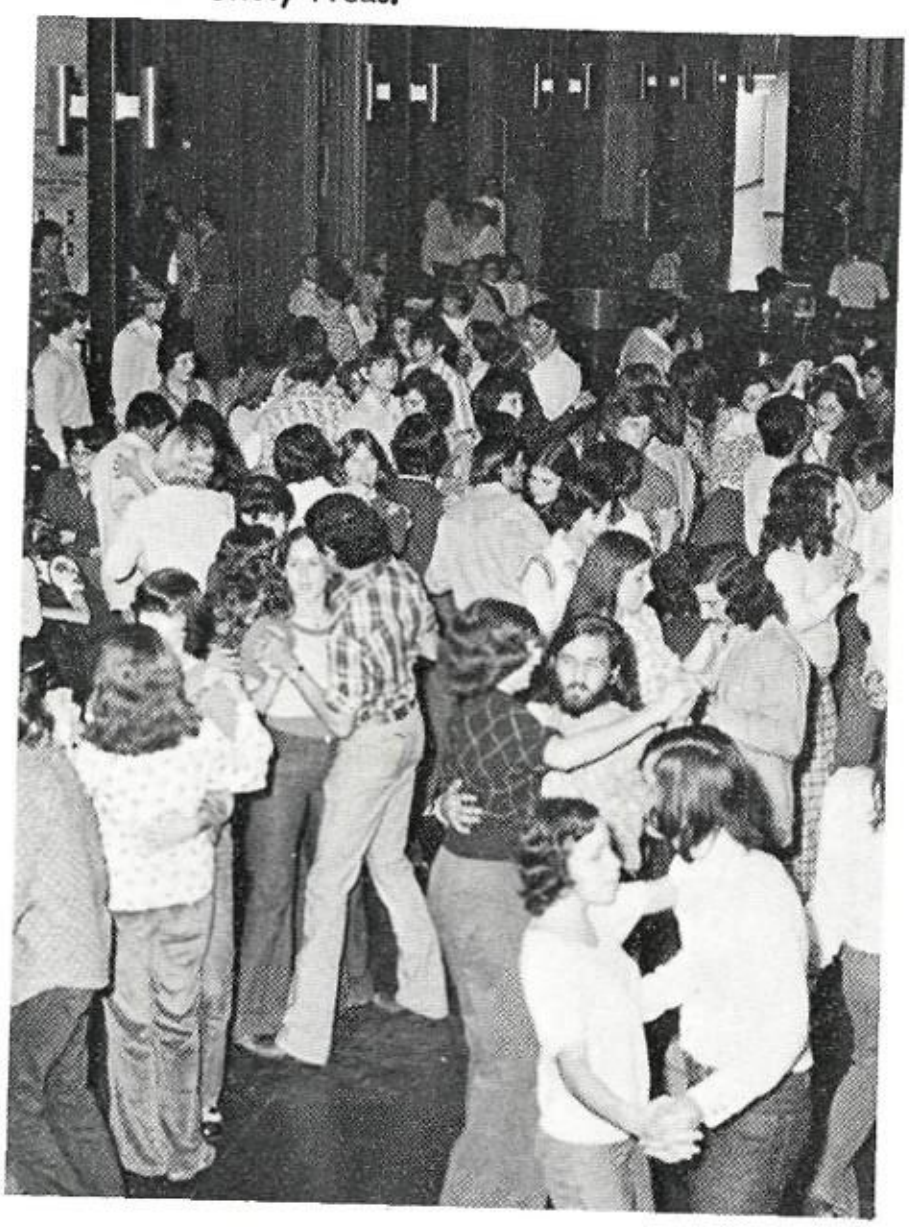


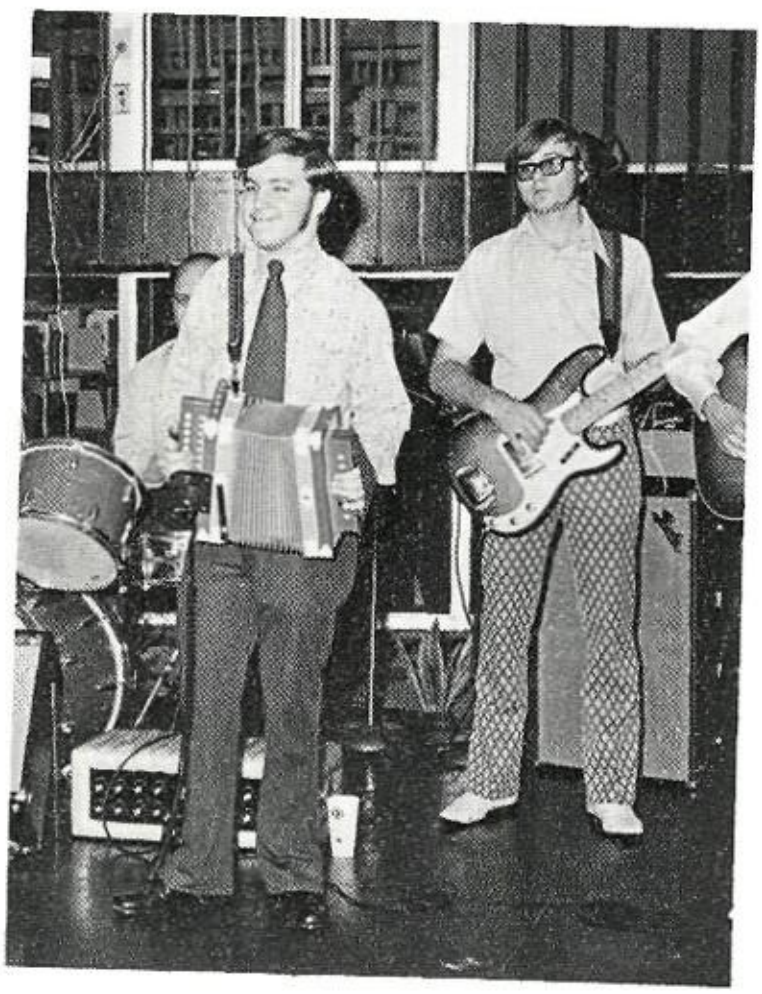


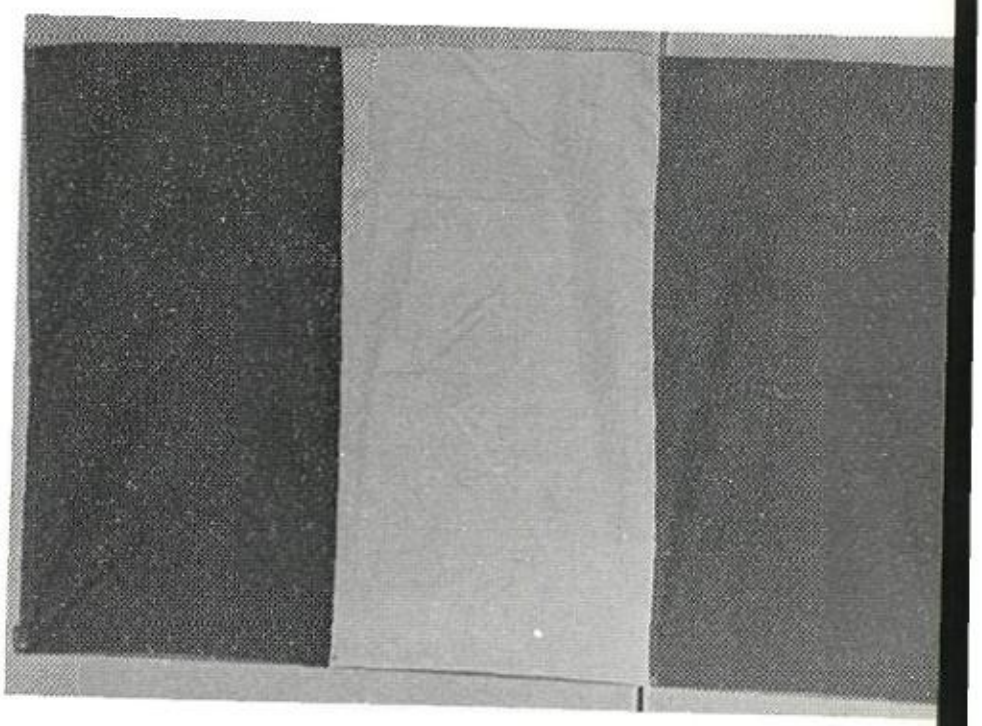


Les Amis Sponsored Various Activities

French Club Officers: (L to R): Helen Broussard, Pres.; Betsy Chol, V. Pres.; Anne Romero, Sec.; Brenda Chol, Treas.







The Spanish Club had a successful year with a lot of help from Mrs. Frances Jones, their sponsor. The club had two fun-filled activities, a Xmas party and a Mexican Dinner. The Spanish Club helped its members learn about the customs and literature of Spanish people.

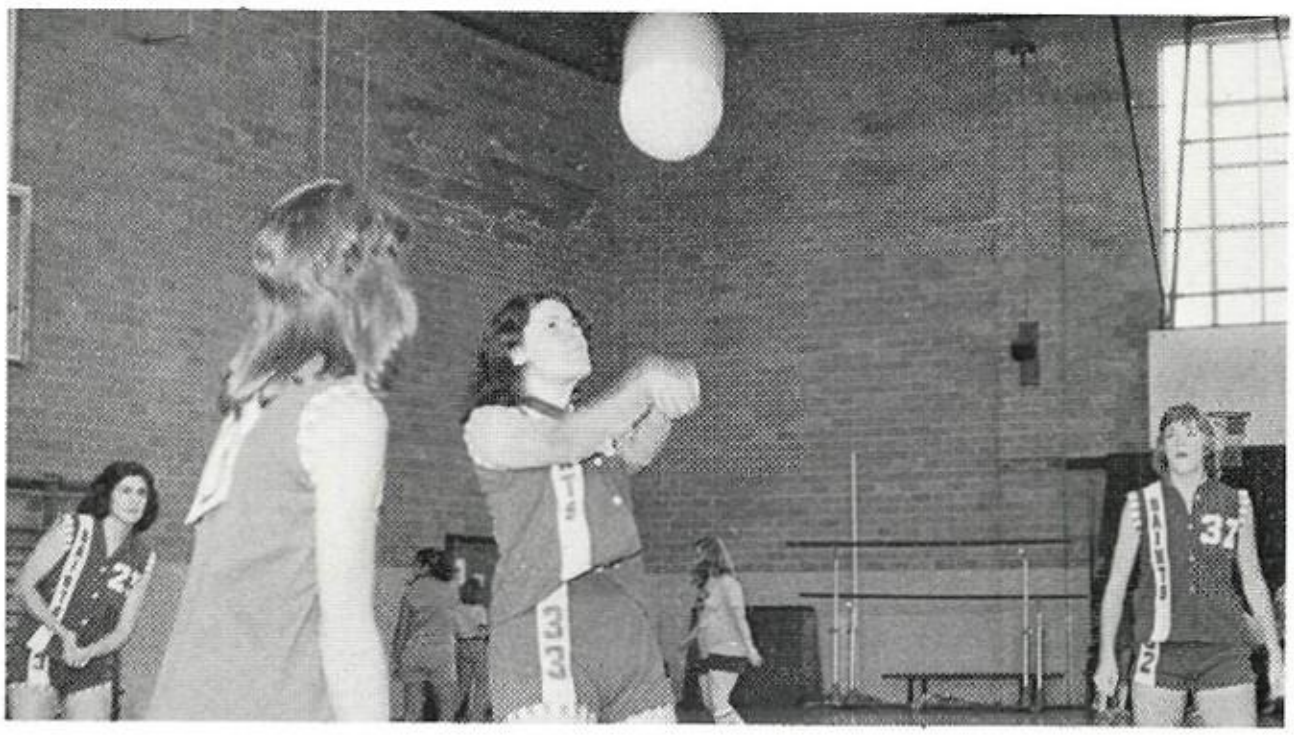
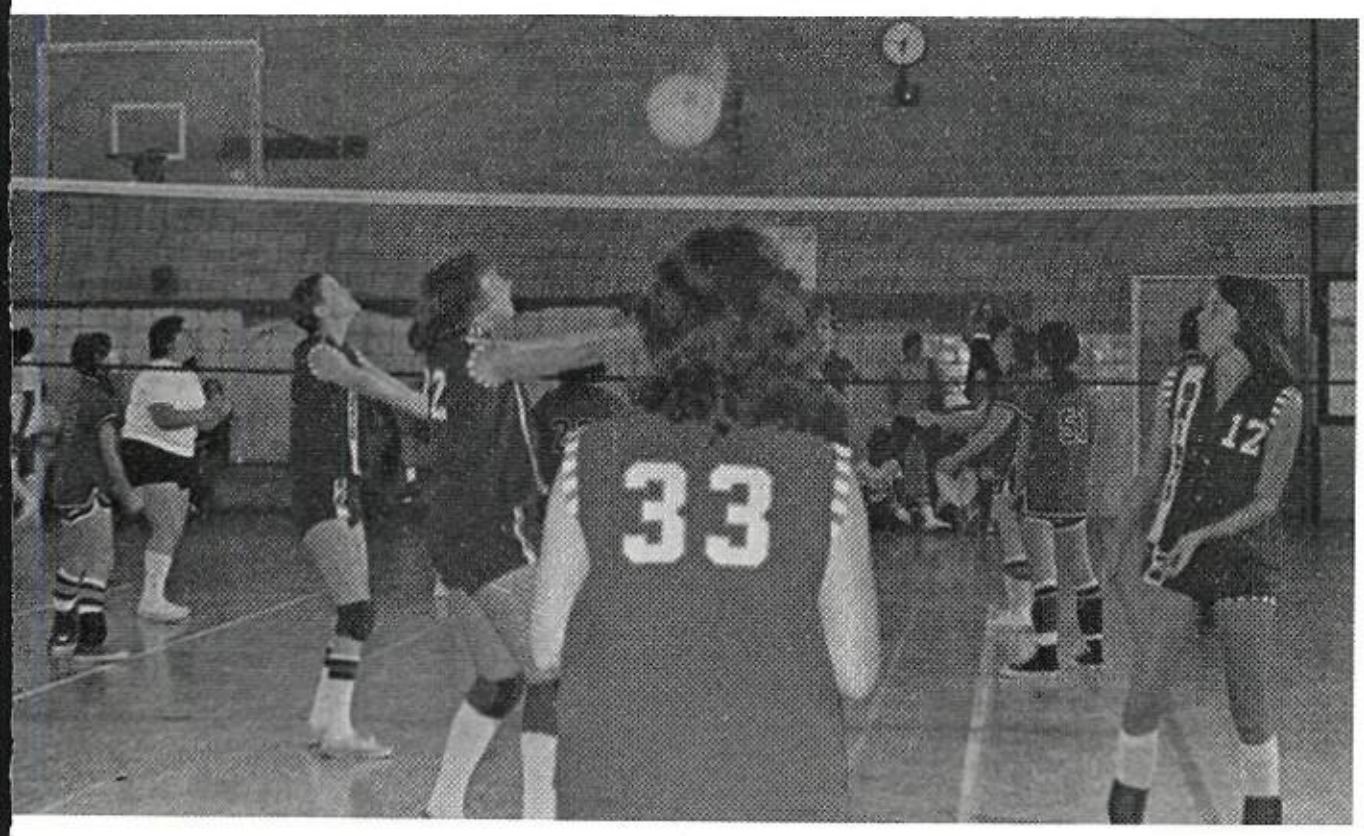
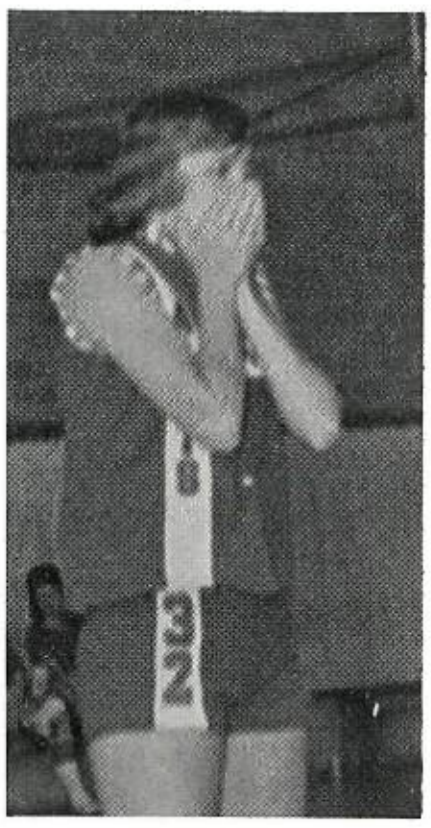
Girls Volleyball Took 2nd in District



"Setup volleyball" --

It is a brand new year with a different kind of volleyball for St. Louis girls. The game requires skill, coordination willpower, and endurance. We have them all! New Iberia, here we come!





Mighty Saints Made State Finals

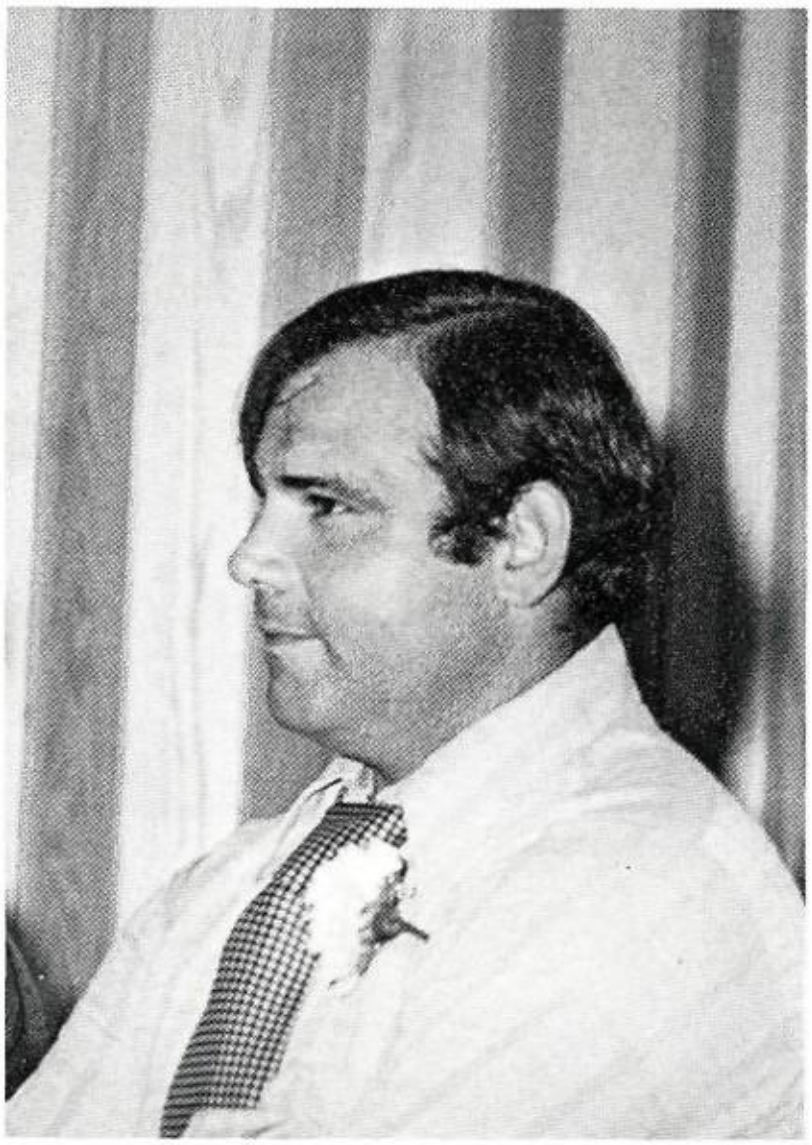
During the regular season this football team experienced just about every emotion possible. We had big wins, big losses, close games, and even a tie. The season record itself is not very impressive: 5-5, but we lost to some very good football teams when we were in a weakened condition with injuries. The 5-5 record does not indicate how good our football team was.

Our 4-2 record in district, however, was good enough to tie for second place and to give us a chance at the playoffs. The coin toss was very important part of our season; if we hadn't won it our season would have been over.

When the playoffs started, we finally had most of the team healthy and ready to go. It was like a whole new season starting and we decided to take them one at a time. For four weeks straight we beat four of the better teams in the state: Kinder, Menard, Vidalia and Jackson.

I don't know how many times I've said this, but "This group of boys were the best group of boys I've ever been associated with." As far as determination, willing to work extra, desire to win, and just team attitude, I think this team could play the super bowl champs and probably win.

In our fifth week in the playoffs we met someone bigger and stronger than a professional team.



Tom Couste, Head Coach

Notre Dame ended our hopes of being state champions. They had a great football team, too, and they beat us. So we had to settle for Class AA State Runner-ups . . . which ain't bad for a scrappy bunch of little guys.

We ended our 15 game season with a 9-6 record and we're very proud of each player and of every game we played this year. Win or lose, we played hard every game and gave it everything we had. I guess that's about all you can ask out of anybody and that's what makes a St. Louis Football Player great. Thanks to every one of you.

This year's basketball team suffered many hardships. Among these were a late start due to the extended football season and inexperience, both with the coaching staff as well as with the team. Although this season's record wasn't very impressive, the team ended the season on the right foot with impressive wins over S. Cameron and Sam Houston.

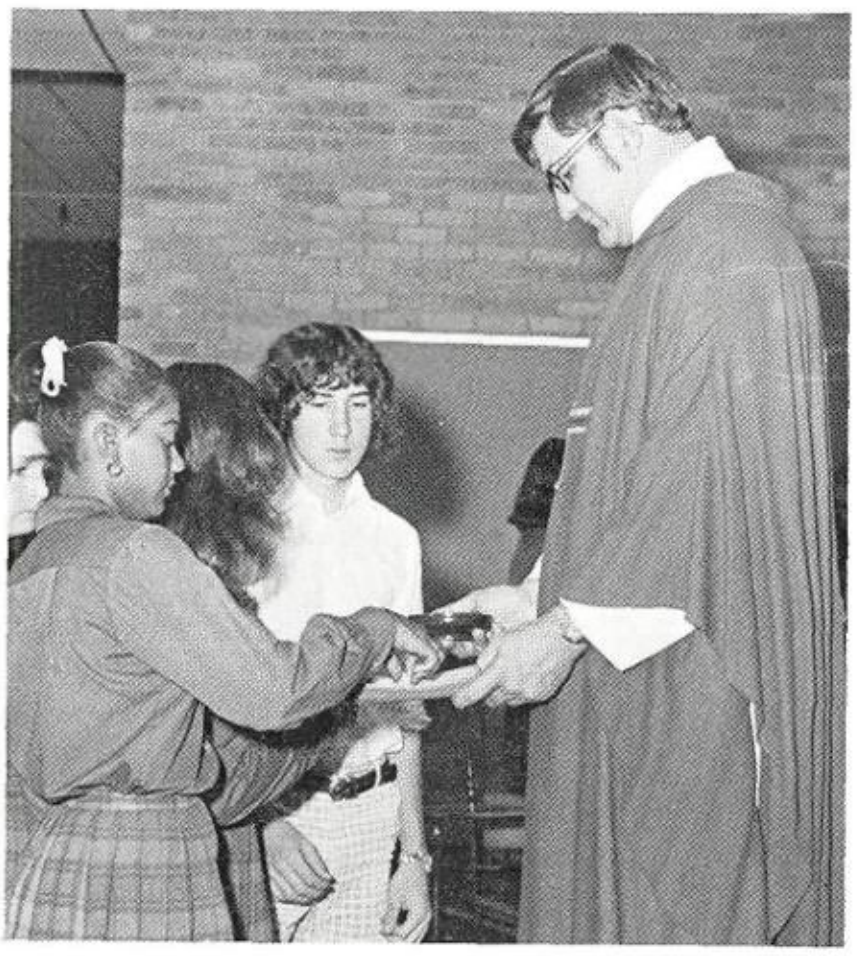
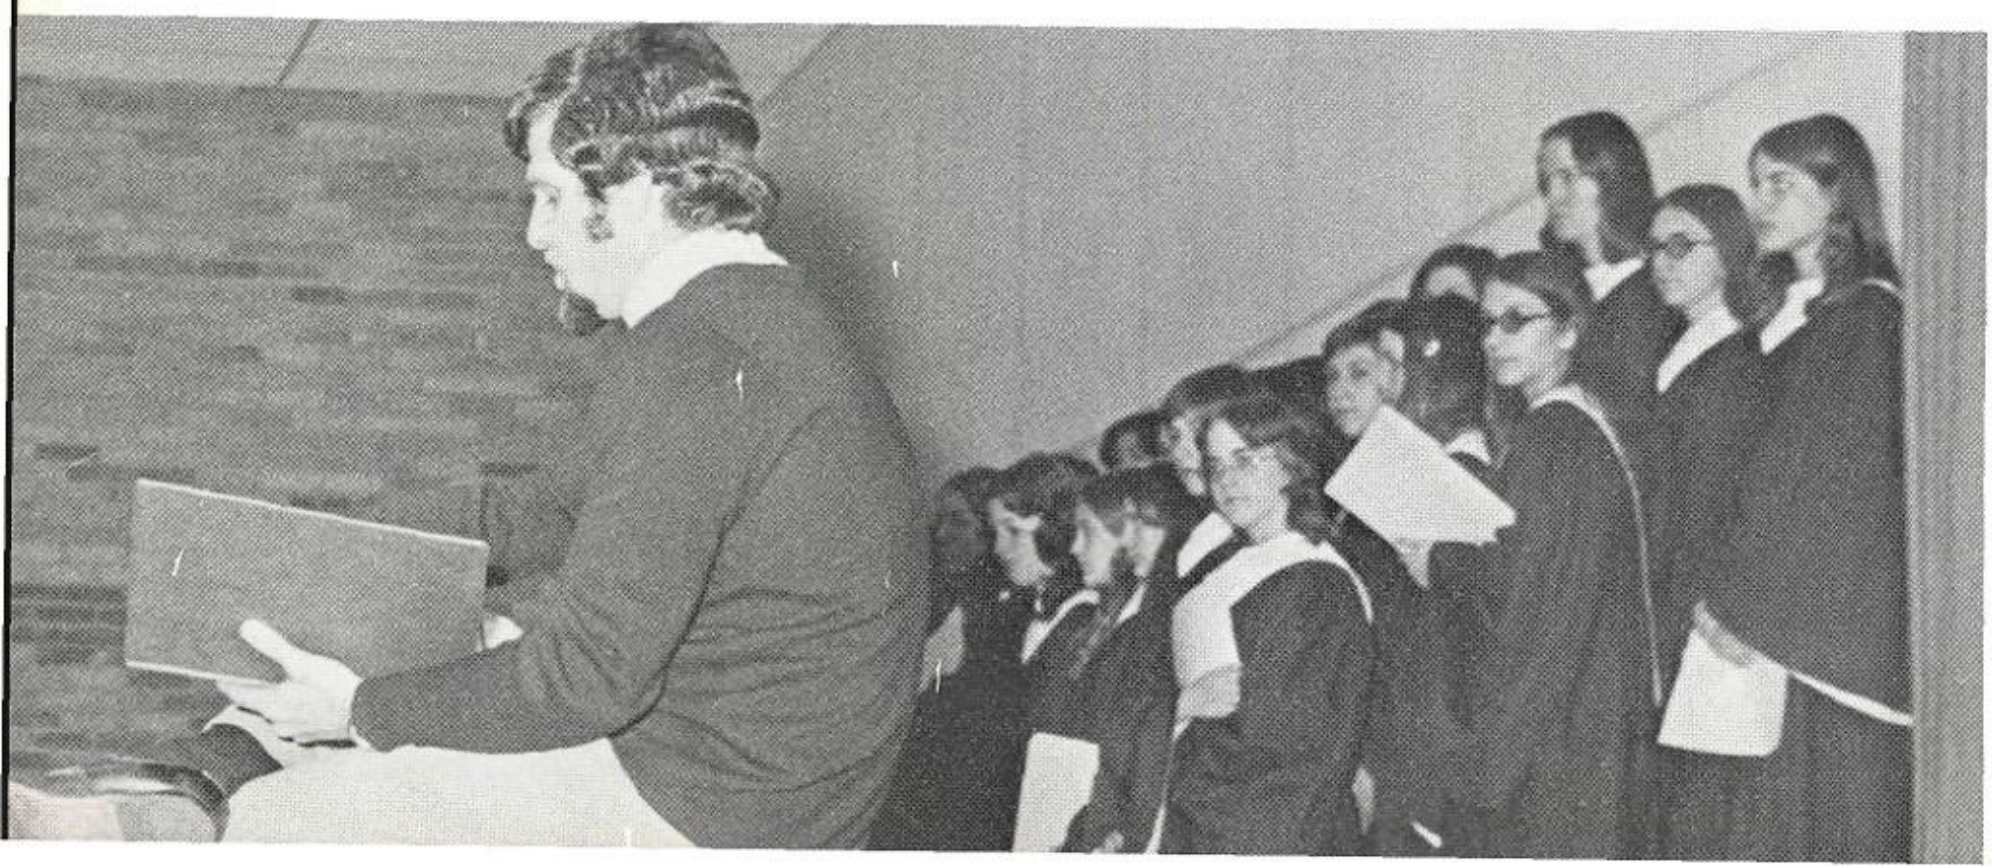
Outstanding Undergraduates Recognized at Honors Assembly

The preparation for Christmas was highlighted by a special program this year. Father Regan directed a play "Where is God" and Miss Coleman organized the Christmas Belles singing group, which was directed by Pam Gabriel. The spirit of Advent was made known by the presence of the Jesse Tree in the Commons and by assemblies given by Monsignor Angelle and Father Gouaux





During the past year, St. Louis was fortunate enough to obtain some very interesting guest speakers and programs for the Lenten season.

Fr. Regan was in charge of the assemblies and worked hard to plan those which would be most meaningful to the students.

Talks on communication, underprivileged farm workers, prejudice, and a visit from the Damiens comprised this year's program.

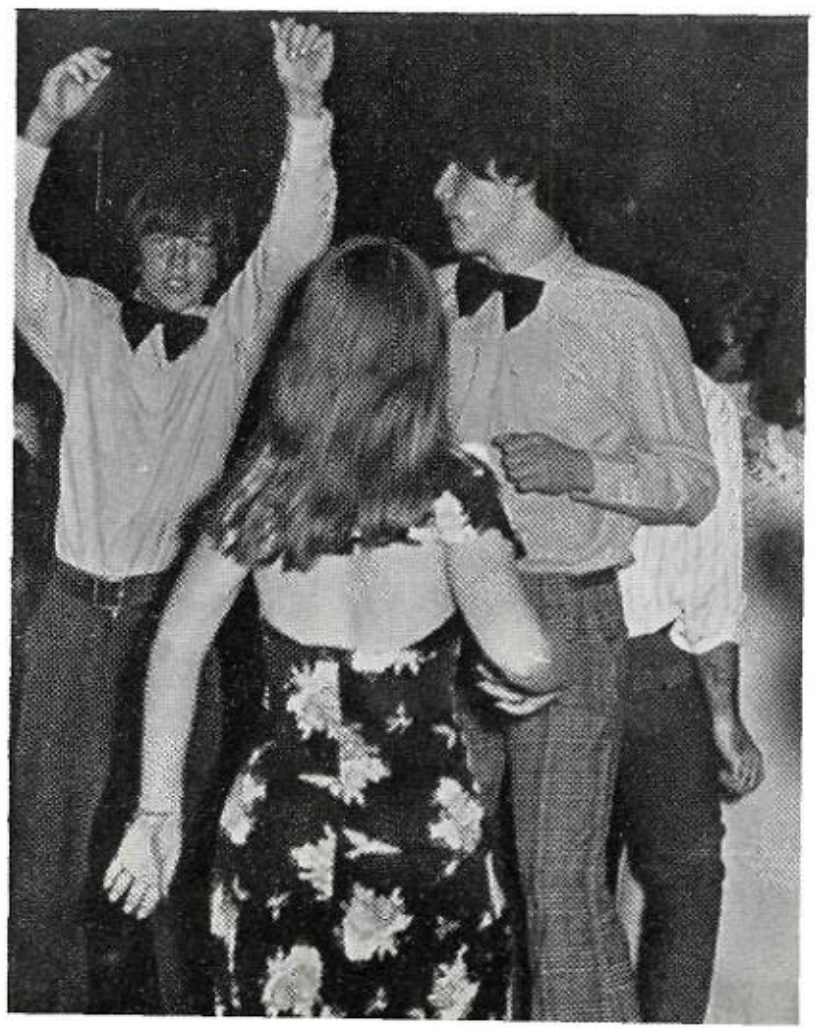
First Mardi Gras Ball Was a Big Success



On February 23, the National Honor Society and the Student Council sponsored St. Louis' first Mardi Gras Ball (Twerp). The dance was highlighted by the presentation of the Krewe of Lucidus, named for the St. Louis chapter of the NHS. The band, Mace, provided the music, and the dance proved to be one of the favorites of the students.

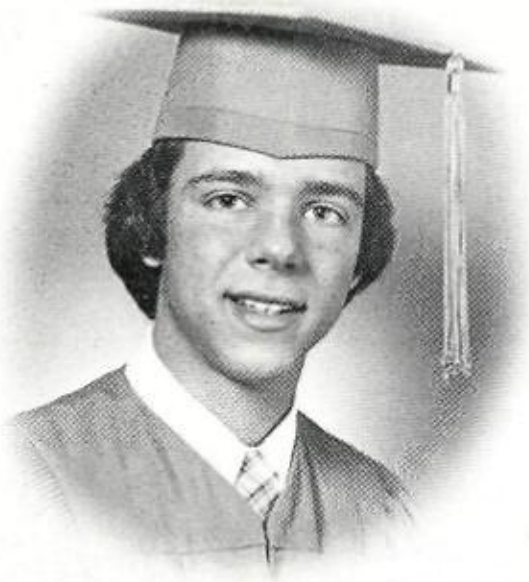
SL Sends Five to Pelican State



Thomas Hunter

March, March, March . . . muster whistles . . . on to convocation . . . more speeches and elections . . . accepting failure . . . understanding others . . . banners and projects . . . city ordinances . . . a 12 p.m. "curfew" - tomorrow is another day!

. . . All the wonderful things that are part of Louisiana's Boys and Girls Pelican State, a place where a person becomes aware of what he can accomplish by reaching out to others - helping and sharing!

Early Admission Seniors '74

Catherine Hebert

Early Admission was again offered to St. Louis seniors. The purpose of the program was to expand the curriculum offered at St. Louis and was opened to seniors with a 3.5 average during their time in high school, and a recommendation from the principal.

Thomas Hunter

Patrice Morin

Students taking part in this program were eligible to receive a St. Louis High School diploma after completing 24 semester hours. They were considered part-time college students and could participate in co-curricular activities.
